

Home please, just up the hill.

Crafers?

No a little bit further.

Oh Stirling?

No not quite. Up Greenhill Road.

Oh the windy one?

Yes that's it.

How long have you been there?

Always.

Is it much further?

Just a few minutes.

Is that Mount Lofty?

Yep, Cleland is back there.

Can you see the city?

The whole thing.

Nearly there - that's the courts.

A little further, left up here.

Where are we?

Summertown.
